The financial position of the Bd is as follows in round figures

Normal income Rs 81000
Normal Expenditure Rs 78000

This shows that the Bd has very little money to spare for development work But- as it is complained that the road is bad

OFFICE OF THE PRESIDENT,
Kadur District Board,

Dated, Chickmagalur 14th Jan. 1928

From

H. Ramaswami Esquire M.A., B.L.,

President, District Board, 183 150-27—1
Kadur District,
CHICKMAGALUR

To

R. Ranga Rao Esquire, B.A., B.L.,

Genl; Secretary to Government,
Revenue and Legislative Departments,
of Mysore, BANGALORE.

Sir,

I have the honour to state that Mr. M. Ramaiya Gowda, one of the members of the District Board urged for the improvement of the Herur-Basarikatte District Fund Road, the annual allotment of which is Rs. 30/- per mile, at the last meeting of the Board held on the 19th ultimo and explained the existing disadvantages particularly in certain narrow curves. The Executive Engineer who was present at the meeting in supporting the views expressed by the members recommended that the mileage allotment of the road requires to be increased as the present allotment of Rs. 30/- was too small to maintain it in an efficient condition.

In view of the Executive Engineer's recommendation the Board resolved that the present mileage grant of Rs. 30/- granted to this road which is 8 miles in length be increased to Rs. 50/-

In forwarding herewith a copy of the Board's resolution, I recommend that sanction of Government be kindly obtained to increase the mileage grant of the Herur-Basarikatte Road from Rs. 30/- to Rs. 50/- with effect from 1st July 1928 as it is not possible to meet the additional expenditure in the current

Extract from the Proceedings of the Kadur District
convened on the 19th December 1927.
